Our classic best-seller, freshly updated for its 6th edition! The San Bernardino and the San Jacinto ranges are home to Southern California's highest and most rugged mountains. Desert cactus and pine trees, snow-capped peaks and palm oases, are found in close proximity in this unique region. This Wilderness Press classic has been completely updated and contains new trips as well as old favorites, covering 100 hikes that traverse the San Bernardino National Forest, the Santa Rosa Mountains, and the San Jacinto Mountains. After more than 30 years in print, San Bernardino Mountain Trails remains the bible for Southern California hikers. Each trip includes difficulty evaluations, season recommendations, length, and elevation gain. Comes with a color fold-out hiking map.
