If you have always dreamed of living in Nicaragua and are ready to take that step of actually moving there, nowhere else will you find a book that accomplishes everything you need to know in a smart, organized, and straightforward manner. Joshua Berman and Randy Wood both left the U.S. to make homes in Nicaragua. With their expertise, you'll receive the information you need. This guide includes essential information on setting up your daily life, including getting visas, arranging finances, finding employment, obtaining education, and choosing health care. Also included is practical advice on how to rent or buy a home that fits your needs and budget and vivid descriptions highlighting the most desirable living locations. Berman and Wood share firsthand insight into navigating the language and culture. This guide is perfect for tourists, adventurers, high school and college students, teachers, professionals, families, couples and retirees. Also featured are color photos, black-and-white photos, illustrations, and maps.
