Natives and newcomers can agree on one thing: Colorado is a superlative state. It has more Fourteeners than any other state, more microbreweries per capita than any other state, the highest suspension bridge in the world, the world’s largest natural hot springs pool, the tallest sand dunes in the United States, and the largest city park system in the country. If you are looking for the perfect place to camp in Colorado, your trip starts with Moon Colorado Camping. It's the ideal resource for finding campsites—from secluded alpine hike-in spots to convenient roadside stopovers—throughout the entire state. Join expert author Sarah Ryan as she brings you descriptions of camping options, ranging from state park campgrounds to RV parks; complete contact information and summaries of each campground's scenic features, facilities, and nearby recreation opportunities; expert tips on gear, safety, and first aid, weather, low-impact camping, and camping with kids; easy-to-use regional maps, driving directions to each campground, and details on fees, reservation services, and helpful websites.
