Increasingly, southern Italy is becoming a major European destination, not surprising given what it has to offer: the ruins of Pompeii, the island of Capri, the wild scenery of the Abruzzo, the beautiful villages of the Ionian coast, the Romanesque architecture of Puglia, and vibrant Naples. With everything you need to know, from the best places to stay to the museums that cannot be missed as well as exquisite lesser-known sights, the eleventh edition is an essential guide. Color photographs, floor plans, maps, diagrams
