出版时间:2007-4

装帧:Pap

isbn:9780803259683

The second edition of "The Complete Roadside Guide to Nebraska" represents a major enlargement and revision of the first edition, making this the most comprehensive guide to the state ever written. The book covers over twelve thousand miles in all ninety-three counties of the "state where the West begins." Here readers can become acquainted with numerous folklore tales and discover the locations of thousands of historical sites, burials, pioneer roads, museums, and other wonders of the Cornhusker State.
