著者:Schaffer, Jeffrey P.

出版者:Wilderness Pr

出版时间:2006-4

装帧:Pap

isbn:9780899974200

This compact guide to El Capitan, Half Dome, Glacier Point, and Yosemite National Park’s famous waterfalls is packed with the park’s 25 best dayhikes and 5 top backpacking trips, plus a handy four-color, fold-out topographic map (the updated 15-minute Yosemite quad). First published in 1969, the newly updated seventh edition of Hiker’s Guide to the High Sierra: Yosemite includes: indispensable tips on permits, camping, lodging, and supplies, useful information about bears, bugs, gear, and weather, and details about the area’s geology, history, flora, and fauna.
