The elegance of Tuscany's cities is visible in the smaller villages focused upon in this book. It looks at 37 villages and small towns, including Pienza, Settignano and San Gimignano. The descriptions are accompanied by photographs which capture the

charms of the architecture, the landscape and the people. The book includes a visitor's guide to restaurants, hotels and places of interest to be found in this region of Italy. This book is a comparison volume to "The Most Beautiful Villages of France" and "The Most Beautiful Villages of Provence".
