Insight Day and Night Guides let you plan your daily itinerary with reliable information that will make finding your way easy. Expert recommendations help you visit a museum, shop, or see the sights in the day and paint the town red at night. The perfect travel companion, Insight Day and Night guides allow you to make the most of your trip without the stress of negotiating unknown terrain. Information is presented by day and night activities, and listings are cross-referenced on detailed maps. Illustrated with colour photographs, they contain reviews of the top 10 sights. The laminated accordion-style format makes it durable, portable, and easy to use.
