In their imaginations, children travel the world when they read such books as *Madeline*, *A Bear Called Paddington*, *The Adventures of Tom Sawyer*, and *Little House on the Prairie*. Make these imaginary journeys a reality for your children with visits to the actual settings of these and dozens more of the best-loved tales in children's literature. *Storybook Travels* is the ultimate guide for book-loving parents in search of vacations the whole family will enjoy. Let *Storybook Travels* be your family's companion on unforgettable excursions, including:

A magical walk through London looking for the mysterious spots young Harry frequents in *Harry Potter and the Sorcerer's Stone*

A fun-filled visit to the Plaza Hotel in New York City, reliving the charmed existence of Eloise

A busy day in the tiny Tuscan village of Collodi, watching a puppet show, exploring a hedge maze, and enjoying other activities in homage to *The Adventures of Pinocchio*

A scenic trek following the same trail created by Brightly the Burro, a real-life hero whose story is told in *Brightly of the Grand Canyon*

A wonderful sojourn in Paris and surrounding areas, visiting museums, eating at typical French cafés, and spotting the famous water lilies at Monet's home in Giverny, all celebrated in *Linnea in Monet's Garden*

An afternoon of barbecue and music at the Chicago Blues Festival, in the imaginary company of Yolonda and her harmonica-playing little brother, the stars of *Yolonda's Genius*

With itineraries for more than thirty locales in North America and Europe, *Storybook Travels* explores destinations near and far, rural and urban. Whether you want to plan a trip that will mean as much to you as it will to your children (or grandchildren), are looking for ways to enrich already-planned trips, or want to bring to life the fondly remembered books of your own childhood, *Storybook Travels* is your guide to one enchanting journey after another.
