This volume of pen-and-ink drawings of Scottish mountain scenery by A. Wainwright - author of the legendary Pictorial Guides to the Lakeland Fells and many volumes of Lakeland sketches - is a must for students of landscape drawing and lovers of the Highlands. First published in the 1970s, the sketchbook contains 80 intricate drawings in Wainwright's distinctive style, each accompanied by a simple map to identify where the mountain is seen from and its relation to its surroundings.
