Combining unique travel choices, outdoor adventures, and little-known locales into guides where vacations meet adventures, each title in the Hidden series also offers readers the comfort of detailed maps, Internet information for each listing, author picks, suggested itineraries, and walking and driving tours. Hidden Wyoming reviews everything from Jackson Hole's million-dollar resorts to Gros Ventre River Ranch and its inexpensive log cabins, nearby fly-fishing streams, and winter snowshoeing trails. The author guides readers to the state's amazing landscape of high mountain peaks, alpine lakes, hot springs, ghost towns, and lost bits of wilderness. Author John Gottberg lives in Seattle, WA. Include 14 maps.
