The Canyon Country of the Southwestern U.S. hosts some of the most unusual and beautiful landscapes and geography in the world. These awesome displays of the natural sculpture of nature are stunning in their shapes, varieties of color, and the ways in which they capture the sunlight.

Now, John Annerino, critically acclaimed photographer and author, gives you the tools to find and shoot these locations. The parks that are covered around this famous Four Corners region of Arizona, New Mexico, Colorado, and Utah include Mesa Verde, Glen Canyon, Grand Staircase-Escalante, Zion, Capitol Reef, Bryce, Canyonlands, Arches, and Black Canyon of the Gunnison. Annerino will guide you on how to find the precise locations to shoot those postcard-perfect shots and provides tips on timing, lighting, composition, and the story behind the scenery. No visitor to this area should be without it.
