The first volume of the Time Out Book of Country Walks has been fully revised and updated. It features 52 walks within easy reach of London - one for every week of the year. They take you through glorious countryside, up hills and along river valleys, to historic sights and into charming small towns and villages, all on scenic footpaths with a minimum of road walking. Between seven and fifteen miles long, the walks are graded for difficulty, from family rambles to challenging upland hikes and contain meticulous directions.
