Hilarious and heartbreaking true stories told by sixty Cleveland police officers--active and retired, young and old, from rookie to chief--about life patrolling the streets of Cleveland. Listen in as they tell about heir biggest arrests, the dumbest criminals, the funniest practical jokes, the most frightening moments . . . These are the real stories cops trade with each other after the shift, over a couple of beers--stories the rest of us rarely get to hear. An inside look at the toughest job in town.
