isbn:9781602472549

The Mafia has always fascinated America. The average citizen can't seem to get enough of those men who enjoy celebrity status yet are responsible for unspeakable corruption and violence. Peter J. DeVico's latest book, *The Mafia Made Easy: The Anatomy and Culture Of La Cosa Nostra* is perhaps the best endorsement for the adage, "write about what you know." DeVico examines the deadly, furtive world of organized crime while offering the reader a comprehensive but uncomplicated portrayal of the American Mafia. He renders an authentic account of how La Cosa Nostra evolved: Its origin and organizational structure, its national scope during the "golden age," the driving political forces that motivate it, how it earns a living, its bizarre rituals, and popular myths about honor, respect and the code of silence. *The Mafia Made Easy: The Anatomy and Culture of La Cosa Nostra* makes a powerful statement, and is a MUST for true-crime aficionados.
