isbn:9780312950446

Face-to-face with some of America's most terrifying killers, FBI veteran and ex-Army CID colonel Robert Ressler learned from then how to identify the unknown monsters who walk among us--and put them behind bars. Now the man who coined the phrase "serial killer" and advised Thomas Harris on "The Silence of the Lambs" shows how is able to track down some of today's most brutal murderers. Just as it happened in "The Silence of the Lambs," Ressler used the evidence at a crime scene to put together a psychological profile of the killers. From the victims they choose, to the way they kill, to the often grotesque souvenirs they take with them--Ressler unlocks the identities of these vicious killers of the police to capture. And with his discovery that serial killers share certain violent behaviors, Ressler's gone behind prison walls to hear the bizarre first-hand stories countless convicted murderers. Getting inside the mind of a killer to understand how and why he kills, is one of the FBI's most effective ways of helping police bring in killers who are still at large. Join Ressler as he takes you on the hunt for today's most dangerous psychopaths. It is a terrifying journey you will not forget.

从第一章的Richard Chase就觉得恶心……

看完全书的各个杀人犯后脑子里蹦出一句话Sick and gross as hell... People can be real monsters. 再总结一下这本书：一条线讲了Serial killer是有迹可循的，从童年的家庭问题，父母角色的缺席和各种事件的阴影导致了从小没有爱的能力。到了七八岁还经常尿床，从经常虐待动物来感受控制生命的快感。到了青少年就会有各种性幻想，但无法实现，会有各种癖好，偷女性内衣zw，但面对真实女性很大可能无法勃起，性功能一直是直接原因。像David Berkowitz, Ted Bundy，都一定程度符合profile。另一条线就是作者在FBI这么多年的成就（隐晦地告诉读者我很牛逼很牛逼）
