From burglary to armed robbery and murder, infamous bad guy Frank Cullotta not only did it all, in Cullotta he admits to it - and in graphic detail. This no-holds-barred biography chronicles the life of a career criminal who started out as a thug on the streets of Chicago and became a trusted lieutenant in Tony Spilotro's gang of organised lawbreakers in Las Vegas. Cullotta's was a world of high-profile heists, street muscle, and information - lots of it - about many of the FBI's most wanted. In the end, that information was his ticket out of crime, as he turned government witness and became one of a handful of mob insiders to enter the Witness Protection Program.
