出版者:Perseus Books Group

出版时间:2002-4

装帧:Pap

isbn:9781586481087

Now in an updated and revised edition, the definitive book on the Boston Mafia, by the authors of the bestselling, Edgar Award-winning true crime thriller Black Mass . On February 26, 1986, Mafia underboss Gennaro Angiulo was convicted of racketeering and sentenced to forty-five years in prison. In The Underboss , bestselling authors Dick Lehr and Gerard O'Neill tell the story of the fall of the house of Angiulo. The Federal Bureau of Investigation, aided in part by the Irish Mob's Whitey Bulger, entered the Boston Mafia's headquarters in Boston's North End early one morning in 1981 and began to compile the evidence that would lead to the entire upper tier of one of the most profitable and ruthless criminal enterprises in America. Originally published in hardback by St. Martin's in 1989, The Underboss became a national bestseller. Information uncovered during the course of Lehr and O'Neill's Black Mass investigations adds new dimensions to the story and the authors include this new material-including Whitey Bulger's cagey manipulation of the FBI-in The Underboss 's revised text and in a new preface and afterword.
