Booby Kent was a bully--a steroid-pumped 20-year-old who dominated his peers in their comfortable, middle-class Ft. Lauderdale beach community through psychological, physical and sexual abuse. But on a summer night in 1993, Bobby was lured to the edge of the Florida everglades with a promise of sex and drugs. . .and was never seen alive again. The tormentor had become the victim in a bizarre and brutal act of vengeance carried out with ruthless efficiency and cold-blooded premeditation by seven of his high school acquaintances--including his lifelong best friend--and instigated by one overweight, underloved teenager who believed her life would be perfect. . .if only Bobby Kent were dead. BULLY is a riveting story of adolescent rage and bloody revenge--all the more harrowing and horrific because it's true.
