When twenty-one-year-old Michael Corbitt joined the police force in the Chicago suburb of Willow Springs, he was already in the pocket of Illinois's most powerful mob boss. By the time he was appointed chief of police, Corbitt had moved steadily up the ranks of the Outfit and was living the high life of a respected mobster. Now, with the assistance of bestselling author Sam Giancana -- godson of the legendary underworld kingpin who recruited Corbitt into a double life of crime and crime fighting -- a man who was both saint and sinner tells a shocking true story of forty years of corruption, conspiracy, racketeering, and murder . . . and rips the lid off a clandestine criminal operation whose evil tentacles reach into every corner of our world.
