Adrenaline Books' search for the world's best and most exciting stories has taken readers from the peaks of Everest to the jungles of Papua, New Guinea to the battlefields of World War II. Now, the editor of publishing's most successful adventure literature series takes readers into the heart of organized crime. Some of our culture's greatest literary talent has been drawn to this topic, which taps into our culture's deepest preoccupations -- greed, violence, desire. Mob features work from best-selling writers such as Peter Maas, William Kennedy, Martin Cruz Smith, and Mario Puzo; from acknowledged masters of the genre such as Nicolas Pileggi (Wiseguy, Casino) and Joseph Pistone (Donnie Brasco); and from law enforcement insiders and mobsters such as Sammy Giancana and Joseph O'Brien.
