From the cells of Death Row come the chilling, true-life accounts of the most heinous, cruel and depraved killers of modern times. Meet grisly killers such as Bill Joe Benefiel, the 'Superglue Monster', who glued his victims eyes and noses shut, causing them to suffocate. Or Willie Crain, the deviant fisherman, who put his victim into a lobster pot, where it was eaten by sea creatures. Many prisoners on ' the Row' have carried out serial murder, mass murder, spree killing and the desmemberment of bodies - both dead and alive. In these pages are to be found friends who have stabbed, hacked and ever filleted their victims. So meet the 'Dead Men and Women Walking' from the legion of the damned in the most terrifying true crime read ever.
