Sway to the sounds, reach for the colors, dance to the rhythms, and you will find your own Mexico in these poems in both English and Spanish. "Johnston regales the senses with idyllic scenes of streets lined with a rainbow of adobe houses, with the scent of

roses growing in coffee cans and lilies in chile jars, and with the sounds of fields of corn shaking quietly in the warm wind. The overall impression is one of sunbaked cheerfulness, warmth, and color ably reinforced by Sierra's pastel-tinted artwork." -- The Horn Book
