装帧:SAL

isbn:9780525472520

A delicious treat about America's favorite fruit is now available in a Spanish bilingual format. Ana grows and sells apples, and she makes cider and applesauce and muffins. A glossary helps kids learn the names of Ana's delicious ingredients in both languages. With tie-ins to math and science curricula and units on autumn, this book will be especially welcomed by teachers. Truly the pick of the crop
