In this second bilingual book by author Mayra L. Dole, lively, determined Chavi sets off on yet another Miami adventure. This time it's a fifteenth birthday party for her buddy Rosario's sister that sends her swooshing through her Cuban American neighborhood, recruiting children and grownups to help in the planning and cooking. Once again Chavi proves that she can bring an entire community together for a heartfelt and ultimately very special event. Mayra L. Dole's bouncy prose and Tonel's bright, witty

watercolors will delight readers who know and love Chavi, as well as those who are discovering this amazing eight-year-old heroine for the first time.
