Finalist, Tomas Rivera Mexican American Children's Book Award Chuy Garcia longs to join his father, who is working in the Untied States. To save money for the trip north,

Chuy convinces his father's former employer at the local muffler shop to hire him. There, Chuy learns his father is the artist who made the Muffler Man, a metal statue that stands in front of the shop inviting customers inside. Once in the United States with his father. Chuy finds that life is more difficult than expected. Inspired by his father's art, Chuy helps find a way to prosper in their new homeland.
