装帧:Pap

isbn:9780471322597

Expert tips and advice on writing resumes that get results. Ultimately, one piece of paper will stand between the job hunter and an interview-the resume. This new edition explores the different types, showing how professionals in all careers can use resumes more effectively. It includes before and after examples, with resumes from the readers

of NBEW, Exec-U-Net, college career centers, and others.
