Career Wisdom for College Students is a career advice book for those who need it most--college students facing monumental decisions about their future. Offering insight readers won't get in class, on the Internet, or from their parents, expert author Peter Vogt guides college students through the process of career preparation. While many books exist to aid the first-time job seeker or the recent college graduate, few offer help during the formative time when a major is chosen, an initial career path is charted, and internship and work experience opportunities abound. This volume consists of more than 60 advice articles separated into four major sections: "Take a Look Around--A Real Look Around," "Be Careful What You Think You Know," "Build Your

Skills and Experience Through Hands-on Activities," and "Land the Job You Really Want." An epilogue offers advice on getting the most out of a career counselor, and an appendix suggests helpful resources for further research.

书评

大学时，就在思考，我的未来会是什么样？生活的意义如何？但始终都没用答案，如今在国外了，仍然在看很多书，希望可以找到答案，心理学，成功学。或多或少都给了我一点启发。
在图书馆看到这本书，新，特别新，应该是第一个借出来的。只看了一下目录，就被里面的一条吸引了。正...
