著者:Cagle, Ronald B.

出版者:Amacom Books

出版时间:2004-11

装帧:Pap

isbn:9780814408247

"Your Successful Project Management Career" answers all the questions new project managers typically have, giving them advice and information about entering and excelling in the field. The book clarifies important terminology, discusses how project management got started and where it's heading, and provides a run-down of necessary certification and training. This is the only project management book to focus on the career aspect.
