Find your museum dream job!

What kinds of jobs are available in museums? How do museums work? What opportunities are there in museum research and collection, preserving and cataloging, exhibiting and interpreting, publicity, administration, event planning, catering, support?

Creative Careers in Museums answers all these questions and many more, with full information on how everyone can pinpoint and showcase their existing skills—then turn those skills into a dream job at a museum or other cultural institution. Interviews with people who have made career transitions into the field are packed with practical and inspiring ideas, and there's even information on starting new museums. Advice on targeting potential employers, putting together a resume, interviewing, and landing the job, plus an extensive resource list, make this the perfect starting point for anyone who wants to work in a museum.

- Explores the wide variety of jobs available in museums
- Targeting, applying, interviewing, landing the job
- Practical, inspiring advice for students and anyone looking for a career change
