If you long to create the stunning ice sculptures that are the focus of attention on cruise ships, special events and other displays and want to learn the very latest in modern techniques, this is the book for you. This is the newest book published on ice sculpting in the last decade, Ice Sculpting the Modern Way is the definitive reference

and training manual on the market today. Brimming with carefully orchestrated step-by-step photographs that take the reader through each sequential step in producing highly innovative, but practical, ice sculptures, the book is a must for the modern ice sculptor. Whether you are a novice or an accomplished artist, this book features the most current techniques in the industry including power tools and ice fusion for a unique presentation. The authors discuss the art of sculpting in an insightful and instructive manner with exercises for the you to improve your technique. A comprehensive glossary of terms helps the reader learn the jargon of the field. Written by a team of leading culinary educators and ice sculpting professionals, this is "must-have" for serious students, ice artisans, professional chefs and culinary educators interested in the sub-zero art.
