Start Your Own Party Planning Business and Get Paid to Plan Parties Imagine having an exciting high-paying job that lets you use your creativity to organize fun and fabulous parties. Welcome to the world of party planning! As a party planner, you will be hired to create some of the most memorable moments of people's lives. Party planners organize events that give people the opportunity to socialize, celebrate and have fun. As long as you have the desire, you can become a party planner. No special education or experience is necessary to break into this career and succeed. In the FabJob Guide to Become a Party Planner you will discover how you can start your own party planning business and succeed as a professional party planner. The information in this party planner guide can save you many hours of research, help you avoid some costly mistakes, and give you advice you need to start your own party planning business. This guide offers insider tips and expert advice from more than twenty successful professional party planners from across North America including:

Hollywood and Beverly Hills party/event producers Bernardo Puccio and Orin Kennedy, whose celebrity clients include a best actress Oscar winner

Special event expert Myra Taylor who has planned high profile special events including a man-of-the-year event honoring a former U.S. President

Kathleen Kellner, who serves on the local executive of the International Special Events Society and plans spectacular parties through her Calgary company Eventful Productions If you believe you deserve to have the career of your dreams, this guide is for you. It gives you what you need to know to become a professional party planner.
