This book provides the first step to a dynamic career. You have something in common with Bill Gates, Michael Dell and Ted Turner: none of them graduated from college. If

they can make it, you can too! Don't settle for a minimum-way job because you're not a college graduate. Try one of these 202 high-paying options. They're more than jobs - they're careers. This book helps you: define your interests and skills, and figure out what job is perfect for you; impress recruiters by perfecting resumes, cover letters, applications and interview skills; choose from 202 opportunities that lead to high income and long-term financial stability; get the inside scoop on salary ranges, career paths, working conditions and job responsibilities for each opportunity; and, avoid dead-end jobs. Find the career that's right for you, and start your new life today!
