Nose to the grindstone? Skip it! Grindhopping is the fastest career path for you - and this is the definitive book on the subject. From the journalist who 'broke the story' in a much-talked-about "USA Today" article on the rise of self-employment, "Grindhopping" is packed with real-life stories and how-to advice for how you can bypass the corporate grind. Including dozens of nontraditional success stories, career options, and interviews-plus "Grindhoppers' Guidelines" for starting a business, freelancing, consulting, job-hopping, and networking - it's the ultimate do-it-yourself guide for planning your career path.
