ACHIEVE GREATER SUCCESS AT WORK The Latino Advantage in the Workplace teaches Latinos to use their innate, culturally based skills more effectively in the workplace. This career advancement book focuses on using your personal skills and styles to your advantage. Use it to find ways to change people's perceptions when those perceptions are holding you back from all you can achieve. Take pride in your unique Latino traits and: --Network more effectively--Work well as a team player--Build strong and loyal relationships--Engage in diplomatic communications--Manage conflicts skillfully--Emerge as a true leader The Latino Advantage in the Workplace is full of helpful examples, career tips and profiles of highly successful Latinos so you can see exactly how your cultural advantages affect real lives and how you can use those tips in your life. Use the exercises throughout the book to apply the advantages to your own specific situation and confidently advance your career. Consult the extensive list of resources to find all the information you will ever need to gain that extra edge in the workplace. USE WHO YOU ARE TO GET WHERE YOU WANT TO BE Front cover photograph taken by Mar??a Fernanda Hubeaut.
