"A book that many mothers...might find to be a life-saver. Or, more accurately, a sanity-saver." (USA Today) Yes, some women are opting out of their careers, taking an "off-ramp," and heading home to raise their babies. But millions of us cannot afford to make that choice. And millions more choose to work because we love our careers. So how are women holding on to financially necessary or stimulating and rewarding careers and still being engaged mothers? Wendy Sachs, journalist and mother of two, set out to find what's really happening at the intersection of motherhood and work today. Based on her in-depth interviews with mothers from diverse backgrounds, How She Really Does It explores the creative and courageous ways in which stay-at-work moms are making it happen. Here are the moms next door-as well as lawyers, doctors, entrepreneurs, fashion designers, journalists, and television personalities-who are navigating the everyday work/home conflicts, and, yes, dealing with the guilt. Through it all, they are empowered career women and caring, present mothers. A modern working woman's survival guide, How She Really Does It will give you hope that even if you can't have it all, you can have at least some of it all of the time.

评论

一直鼓不起勇气辞职做在家妈妈. 薪水不错,可以在家上班. 所以工作上有些事,有些人,忍了再忍. 有时候真是佩服自己的耐力和毅力. 读读这本书, 算是给自己一个鼓励吧. 比我苦的劳动妇女大有人在啊. 当然, 我做的是一份工作, 书里的女劳模们做的是一份事业! 看完, 越加感触, 选工作, 选专业, 一定要选自己喜欢的. 这一点, 一直在跟JJ重复讲. 希望她以后能做自己喜欢的事.
