Recipes for success with early childhood's most difficult issues, from the experts at the North Shore Child & Family Guidance Center.

Visit the website of the North Shore Child & Family Guidance Center here.

Ever wonder how to keep your cool when your child is all steamed up? What to do to support your child in the face of divorce and loss? How to get a toddler to go to sleep? This collection of the best articles from the award-winning Parent & preschooler Newsletter offers specific advice, respected research, and simple real-life examples to guide parents and professionals through the trials and tribulations of early childhood. Expert contributors discuss a wide variety of topics, including how to deal with a stubborn child; how to face the hair-raising moments of parenthood; and why good sibling relationships can improve your child's attitude in preschool and beyond. Written in an intelligent and supportive style, this book helps readers gain a practical understanding of complex developmental and family issues. Developed by the North Shore Child & Family Guidance Center, an organization that is nationally recognized for its commitment to children and families, this collection is an invaluable tool for parents and professionals.

"A treasure trove of insights and information! This collection of outstanding articles will be a boon to busy parents. In Raising Young Children Well, they'll find many of their everyday concerns addressed sensitively and succinctly by a diverse group of knowledgeable professionals."

–Adele Faber and Elaine Mazlish, authors of How to Talk So Kids Will Listen & Listen So Kids Will Talk
