Humble Bumbles, the best-selling baby journal in America, has been updated for a 2nd edition, celebrating the joy, love, and adventure surrounding a baby's first three years. Complete with 100 beautifully illustrated journal pages that include placeholders for mementos, photographs, sonograms, family tree, and more, this edition also includes a full-color growth chart, 24 adorable color photo frames, one large vellum envelope to keep baby's mementos, two small vellum envelopes for baby's hospital bracelet and lock of hair.

This new edition of Humble Bumbles also comes with a nine-pocket expandable accordion file to organize important information and wonderful mementos from

Before Your Arrival, Doctor Visits/Health Records, Important Documents, Favorite Things, Art and Drawings, Family, First Year/Birthday, Second Year/Birthday, and Third Year/Birthday.

This adorable journal will surely become a much-loved keepsake of your child's most precious years.
