This collection of one hundred quotations and passages from legendary educator Janusz Korczak offers valuable advice and observations on how to take care of, respect, and love every child - from understanding a newborn's mysterious behaviour to answering the outrageous questions kids ask to confronting the conundrum that is adolescence. In an inviting gift-book format, which also includes a short chapter on Korczak's life, this is a heartfelt and helpful reminder of who we were as children and who we might become as parents.
