--What can I do to help my child now?--What are the symptoms of ADD? --What questions will the doctor ask me about my child? --Do children with AD/HD qualify for

special education? --Should I medicate my child? ADD and ADHD are estimated to affect at least 3 to 7 percent of school-age children and the amount of information available on the subject can be overwhelming, confusing and oftentimes, conflicting. The ADD and ADHD Answer Book is a reassuring, authoritative reference for you and your family, providing sound advice and immediate answers to your most pressing questions. The book also includes questionnaires and checklists to help you get the most out of your child's evaluation. Written in an easy-to-read question and answer format, The ADD and ADHD Answer Book helps you understand your child's illness and develop a plan to help them succeed.
