A fully illustrated guide to the latest parenting trend

Baby Sign Language is a practical, illustrated guide that shows parents how to teach their babies simple, easy-to-remember gestures to convey thoughts, needs, questions, and answers-long before the babies can talk. Packed with useful advice, this delightful guide will help develop cognitive skills, cut down on communication frustration, and create a stronger bond between parents and babies, with:

- Clear, step-by-step instructions-based on the author's popular workshop format

- Photographs and drawings to illustrate each sign

- Baby-centered sign language activities, including songs and storytelling

- Signs graded for difficulty levels

- Tips on how to introduce and reinforce key signs
