isbn:9780756603533

Book Description There are dozens of ways to comfort and soothe a crying child, especially if you understand what each cry means. Covering newborn babies through preschoolers, Crying and Comforting includes all the latest information on crying

patterns, persistent crying, bonding, comfort objects, and how to cope with teething and sleep. About the Author Johnson's, the world's leading manufacturer of healthcare products, provides related services for the consumer, pharmaceutical, and professional markets. Johnson's has more than 195 companies operating in 51 countries and sells products in more than 175 countries.
