Singles are coming into their own: Each year more and more people are single either by choice or by circumstance. This book celebrates the joys and challenges of living life single, and like its Chicken Soup predecessors, will be a source of inspiration, laughter and wisdom. With chapters on Love, Single Parenting, Dating, Family and Friends, Finding Your Mate, Overcoming Obstacles and Single and Happy, readers will relate to each of these stories no matter what their situation or stage of life. Chicken Soup for the Singles Soul will show readers that they 're never alone as long as they believe in themselves. Whenever they find themselves in need of some reinforcement, this book will be a source of strength and comfort.
