Climb aboard the world's most technologically advanced surface warriors. Vivid color photographs feature cruisers, destroyers and frigates tasked with combat operations against hostile submarines, surface ships and aircraft, missiles and targets ashore.

Take a land-lubber's look at the U.S Navy's awesome vessels - Ticonderoga class guided missile cruisers, Arleigh Burke class guided missile destroyers, Spruance class destroyers, and Oliver Hazard Perry frigates. High-seas adventure from cover to cover!
