isbn:9781846031267

Osprey's study of the Viet Cong fighters of the Vietnam War (1955-1975). An enemy in the shadows, the Viet Cong was the military arm of the National Liberation Front, the

Communist Party of the Republic of Vietnam. Often generally thought of as local guerrillas, they were also an important part of the North Vietnamese Army regular cadres.

Packed with emotive and rare photographs, this book not only analyzes the skills and tactics of these fascinating fighters, but also takes a look at their social origins to interpret how this affected their behavior as warriors.

Gordon L Rottman discusses the Viet Cong's recruitment and initial training, their unique motivation, their extensive political and psychological indoctrination, and their distinct equipment and weaponry, to provide a compelling and balanced account of these legendary guerrilla fighters.
