This is the first of 3 definitive volumes that cover the German ground forces that swept across Europe with such ruthless efficiency in 1939 and 1940 and battled the Allies around the globe until the bitter end in 1945. Taken together, these volumes are the most comprehensive and accessible reference available on the Germany Army in World War II, unmatched in the information compiled on each division from inception to destruction. Volume One covers the 1st through 290th Infantry Divisions.
