出版时间:2005-2

装帧:Pap

isbn:9780711031623

In the first of the new "Soviet Tanks" series, the author provides the reader with a

comprehensive account of the development and operational record of the JS series of tanks. Utilising photographs, line drawings and specially prepared artworks, he provides a detailed portrait of these highly successful tanks. This book will appeal to wargamers and modellers, as well as those interested in military history.
