出版时间:2007-10-30

装帧:Paperback

isbn:9780674025776

This book is a profound re-examination of the role of the German army, the Wehrmacht, in World War II. Until very recently, the standard story avowed that the ordinary German soldier in World War II was a good soldier, distinct from Hitler's rapacious SS troops, and not an accomplice to the massacres of civilians. Wolfram Wette, a pre-eminent German military historian, explodes the myth of a "clean"

Wehrmacht with devastating clarity.
