An in-depth examination of both theory and the actual day-to-day practice of asset allocation, this comprehensive guide is based on interviews with 27 industry experts chosen from Barron's annual rankings of the nation's top financial advisers. Using extensive examples and real-life stories, these insiders explain how to build the kind of personalized portfolio they recommend to their elite clients: one that provides consistent and superior rates of return that meet short-term or long-term objectives in good, bad, and flat markets.
