Lifelines For Money Misfortunes No one wants to think about the unpredictable accidents, disasters, and crises that could disrupt our lives, but in order to overcome these unexpected surprises you must be prepared. Nobody understands this better than author Stephen Pollan. Over the past thirty years, he has introduced thousands of individuals to innovative new strategies for dealing with their careers, money, and numerous other issues that are a part of the "business of life." And now, in Lifelines for Money Misfortunes, Pollan--with the help of coauthor Mark Levine--reveals both the secrets of personal crisis management and the tactics for navigating catastrophes that could upset your financial equilibrium. Divided into two comprehensive parts, this practical guide will help you tackle some of life's toughest challenges. The essential insights found throughout these pages will allow you to persevere, even if:

- * You've lost your job
- * You're temporarily or permanently disabled
- * You lose a major client or customer
- * Your adult child needs financial support
- * You're transferred against your will
- * You haven't saved enough for retirement

Stephen Pollan doesn't have the answers to all of life's questions, but with Lifelines for Money Misfortunes, he'll advise you on how to best manage the crises that could critically affect your wealth and well-being.
